

What Animal Am I?

Activity sheet

Can you guess what animal I am?

I have sharp spines on my back, like you can see in the picture.

My spines make it difficult for predators to kill me.

I live in Australia but have cousins in New Guinea.

I love to eat ants. And, my babies are called puggles!

What animal am I?

Draw a picture of what animal you think this week's guest might be below!
