

What Animal Am I?

Activity sheet

Can you guess what animal I am?

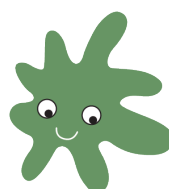

I'm one of the lovable larrikins of Australian bird life, and I'm the most abundant and familiar of Australian parrots, occurring over most of the mainland and some offshore islands.

I'm very noisy and love to play with my fellow bird friends in large flocks in a variety of timbered habitats.

I have a characteristic screech and beautiful distinctive colours that might make it easy to guess who I am!
