

What Animal Am I?

Activity sheet

Can you guess what animal I am?

I am a small, grey-brown marsupial. I have a white throat and chest, with a pale grey belly and a dark stripe on my back running from my head to the middle of my back. I have a pale stripe on my cheek and my tail can have a white tip. When I am hopping, I remain close to the ground with my forearms tucked tightly against my body. I usually live in forests with a thick, shrubby understorey. I am nocturnal (which means I am active night). I feed at night, eating yummy things like grasses and herbs, and during the day, I like to shelter in dense bushes and shrubs.

Draw a picture of what animal you think this week's guest might be below!
